STANWOOD-CAMANO
SCHOOL DISTRICT

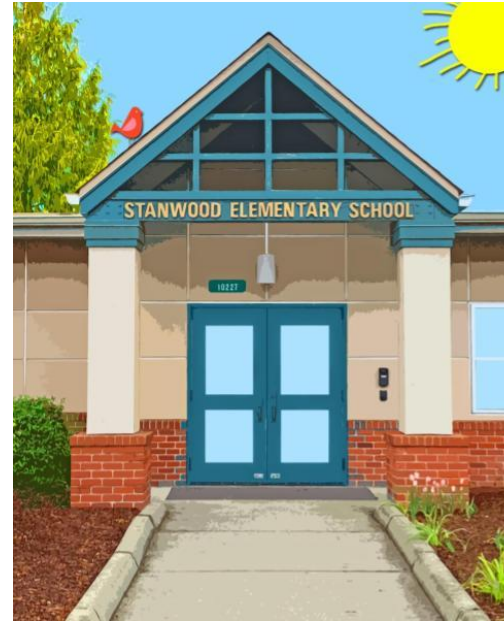

OUR PROMISE

Every student in the
Stanwood-Camano School
District is **empowered to learn**
in an inclusive setting and is
prepared for the future of their
choice.

Our AAP Goals (students will...)

1. Grow in their ability to understand and apply number sense in all areas of mathematics.
2. Grow in their ability to apply conventions of reading and writing.
3. Students will recognize, understand, label, express and identify their emotions and feelings in order to self-regulate their behaviors.
4. Students will demonstrate accelerated levels of growth in number sense, phonemic awareness, academic vocabulary, decoding/decomposing words.

Empowered to Learn!

Progress Toward our Goals (students have...)
